Select only **one** golfer from each box.

Choose the best golfer within each box to receive maximum points.

In some boxes, points are available if your selection finishes 2nd and 3rd place within the box.

Points are awarded within each box as shown. Example: (5 3 1 0 0) = 5 pts for 1st, 3 pts for 2nd, 1 pt for 3rd, 0 pts for 4th, 0 pts for 5th.

If you select the **Tournament Champion** (from any box) an additional **5 points** will be awarded

Any tie breakers in each box are determined by lowest round later in the tournament (Sunday, then Saturday, etc).

Golfers making the cut always rank higher than cut golfers in the same box, regardless of their final score to par on Sunday.

If multiple golfers in the same box miss the cut, they will be ranked by lowest two-round total. If still tied, by lowest round on Friday.

Ties in total pool points are broken by highest points in Box (1), then by Box (2), then by Box (3) and so on.
